

THE GREENRIDGE GROUP

We are seeking talented professionals to Join Our Team!

Company Overview

The Greenridge Group is a consulting firm assisting public and private sector entities in the fields of Capital Improvement Program, Project and Construction Management.

We assist our clients in finding solutions to the challenges of modern construction.

Our Core Values

- **Integrity** – individual and company moral and ethical values.
- **Passion** – genuine enthusiasm for the work we do.
- **Knowledge** – understanding how people work and how projects are brought to life.
- **Experience** – sharing knowledge and lessons learned for project success and the betterment of people and community.

Who We Are

- We are a small firm with large firm experience.
- Our professionals have an intimate knowledge of each project stakeholder because of our experience as an Architect, a Contractor, an Owner's Representative and a Facility Manager.
- We have the expertise, passion and knowledge of current design and building industry technologies. We understand the immediate market trends and conditions to provide sound advice to our clients.

What We Do

- We provide effective client support throughout the entire planning, design and construction process.
- We safeguard the project integrity by monitoring and enforcing contract obligations.
- We provide guidance to clients on planning, budget, schedule and construction related issues.
- We bring pride, integrity, passion and engagement to every project.

Why Greenridge?

We believe that work is an important part of our lives and we support this belief with a team-oriented culture and great benefits.

- We offer competitive employee benefits.
- We focus on work-life balance to meet the needs of each team member by offering flexible employment terms.
- We build our employees' career paths around their talent and interest; our employees' input directly impacts the company's focus.
- We are a spring-board for young professionals developing their career and passion with guidance from experienced senior managers.
- We are a place for seasoned professionals to share their knowledge and experience with our junior employees, our clients and for the greater good of our community.
